Author: Rachel Er

Summary:

We pass by many animals everyday on our way in Singapore. What if the animals around us had secret lives of their own?

A community cat who reigns over his HDB void deck. A curious chick lost in the central business district. A young otter separated from her family in a storm. A rescue dog who just wants to belong.

Will you stop and look?

Title: **Just Harriet**
(New Series available from #1-3)

Author: Elana K. Arnold

Summary:

There are a few things you should know about Harriet Okay, maybe that last one isn't entirely the truth. Of course, there's nothing Harriet doesn't like about Marble Island, the small island off the coast of California where her nanu runs a cozy little bed and breakfast. And nobody doesn't love Moneypenny, Nanu's old basset hound. But Harriet doesn't like the fact that Dad made this decision without even asking her. When Harriet arrives on Marble Island, however, she discovers that it's full of surprises, and even a mystery. One that seems to involve her Dad, back when he was a young boy living on Marble Island. One that Harriet is absolutely going to solve. And that's the truth.
